⚠ PRECAUTIONS ON USE

- Before your trip, please make sure the light is firmly mounted to the bracket, it lights up, and the light is not blocked by baggage, etc.
- Do not place it within children's reach.
- In preparation for unexpected battery shutoff, we recommend you carry a spare light.
- Mounting the light unit too close to a wireless computer may adversely affect the reading of the computer.
- Charging, discharging, and storing in high temperatures will cause the rechargeable battery to deteriorate faster. Do not place the light inside a vehicle or near a heater.
- This product is water-resistant under normal daily use and can be used in the rain. However, do not intentionally submerge it in water.
- If the light unit or parts become dirty with mud, etc., clean with a soft cloth which is moistened with mild soap.
Never apply paint thinner, benzene or alcohol; damage will result.

⚠ PRECAUTIONS ON CHARGING

- We recommend using 500+mA (USB2.0) USB battery charger.
- Avoid charging in direct sunlight or in a vehicle parked under direct sunlight, and make sure to charge only when the ambient temperature is between 5 and 40°C (41°F and 104 °F).
- Before charging, be sure that no dust or other foreign objects attach to the USB plug.
- Do not subject the light to vibrations while charging.
- When your PC is in sleep state, the unit cannot be charged.
- Once charging is complete, be sure to disconnect the USB plug.
- Charging and lighting times are approximate values, and will vary by environmental and user conditions.
- If the illumination time is significantly reduced even after proper charging, the rechargeable battery may be nearing the end of its service life. Dispose of the battery as described in "PRECAUTIONS ON DISPOSAL".

⚠ PRECAUTIONS WHEN MOUNTING

- Check periodically to ensure that the light unit is attached securely.
Do not use a damaged rubber band.
- Make sure the cap for the light unit is securely attached. Failure to do so may decrease water-resistant performance of the light or cause the rubber cap to fall.

⚠ STORAGE PRECAUTIONS

Do not store the light when fully charged. When the light will not be used for a long period of time, make sure the battery is almost empty and the storage location is not hot or humid. In addition, charge the battery for about 10 minutes every six months.

⚠ PRECAUTIONS ON DISPOSAL

When disposing of the light unit, remove the internal rechargeable battery and dispose of it according to local regulations.

1 HOW TO CHARGE

⚠ Always charge the product before use.

Switch (Indicator)

Charging
Charging is completed

Standard charging time Approx. **1.5h**
(USB 2.0)

* A flashing light indicates a charging error. Remove the USB plug and try again.

2 HOW TO MOUNT

Attach securely in the mounting position.

This light rotates 360 degrees to adjust angle.

3 SWITCH OPERATION

OFF ↔ ON
Press and hold

(*1)

Approx. 1.5 h

Constant

Click

Approx. 5 h

Flash

- *1 When you turn the light on, it lights up in the last lighting mode you used. (Mode memory function)
- * When the switch (indicator) lights up, the remaining battery power is 20% or less. Please charge as soon as possible.

SPARE / OPTIONAL PARTS

SPECIFICATIONS

Battery	: Rechargeable lithium-ion battery (320 mAh)
Temperature range	: 14°F – 104°F (-10°C – 40°C)
Recharge/discharge number of times	: About 300 times (until the rated capacity drops to 70%)
Dimensions/weight	: 63/64" x 3-5/32" x 1-7/32" (25 x 80 x 31 mm) / 1.48 oz (42 g)

* The specifications and design are subject to change without notice.

LIMITED WARRANTY

2-year Warranty:

Light unit only (excludes battery deterioration)

CatEye products are warranted to be free of defects from materials and workmanship for a period of 2 years from original purchase. If the product fails to work during normal use, CatEye will repair or replace the defect at no charge. Service must be performed by CatEye or an authorized retailer. To return the product, pack it carefully and enclose the warranty certificate (proof of purchase) with instruction for repair. Please write or type your name and address clearly on the warranty certificate. Insurance, handling and transportation charges to CatEye shall be borne by person desiring service. For UK and REPUBLIC OF IRELAND consumers, please return to the place of purchase. This does not affect your statutory rights.

Please register your CatEye product on the website.
